October 22 2009

Subject: Request my name be entered on the Iosco County Veteran's Honor Roll as a "Guest," located on the www.IoscoVets.org website.

I was one of only two persons receiving a farm deferment during WW-2 from Genesee County Michigan.

I was drafted into the Army 1950-1952 during the Korean War by the draft board of Genesee County Michigan. Served in Kentucky, Virginia, Maryland and Washington DC.

I worked as a civilian Intelligence Analyst from 1955-1969 for the Air Force intelligence in Japan and Hawaii, using both computer and microfilm systems extensively. Parts of 1969-1970 I was a private contractor working with a national company (Planning Research Corp) on military computer and microfilm systems.

I have lived in Oscoda, Michigan since 1970. From 1970 I worked as a civilian at the Wurtsmith AFB as the Civil Engineer's Funds Manager and then as the Wurtsmith AFB's Budget Officer until retirement in 1978.

From 1978 to current I have had an antique store, volunteered with both the AuSable-Oscoda and the Iosco County Historical Societies and Museum, and also with the Huron Shores Genealogical Society, where we have an extensive computer, microfilm and scanning system. And, I am a charter member of the Iosco County Veterans Recognition Plaza Committee, and serve as their database and website manager.

Thank you for your considerations,

Alonzo Joseph Sherman
308 West Dwight Avenue
Oscoda Michigan, 48750
